### **What**

We plan to offer classes throughout the week with an initial goal of offering 3 classes per week for each Martial Arts Program (Little Sparks, Rising Phoenix, Silver & Golden Phoenix) as well as dedicated time for our Chivalry Quest and Team Cornerstone options.

Not only will we have more time, we will also have more space both on the floor and for storage. That means that we can return to using mats and heavy bags in our training which will allow us to teach our full curriculum.
